

FactBox

Powering how you practice law.

FactBox transforms facts and evidence into
client-ready work product.

getfactbox.com

I want to keep track of all the details in my case and access them in an efficient way.

I want to build my case as I go — not at the end — and I want to work in concert with my litigation team and co-counsel.

FINALLY THE SOLUTION IS HERE: FactBox

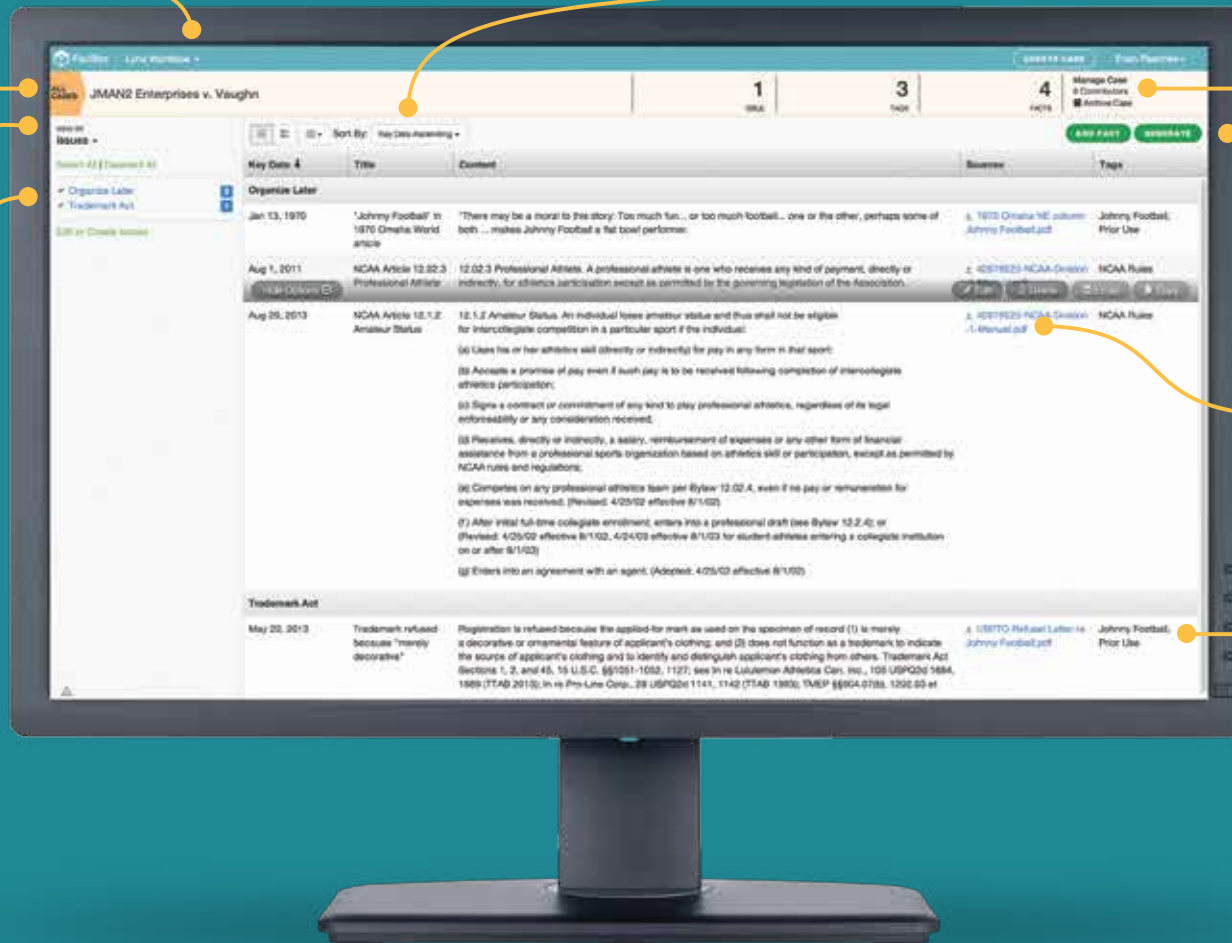

Toggle between different accounts

Select Case or add new

View by Issues, Date or whatever criteria you need

Structure your Case now or later as you add Facts

View Facts in table or memo view

Second-level sorting

Add and edit Contributors

Generate work product in Word

Every Fact is editable

Source docs stay attached to Facts

Second-level filter available with tags

Affordable Pricing

Time and cost savings make FactBox an expense that pays for itself.
